HOLT FARM INFANT SCHOOL

Lunchtimes Are Fun!

Dear Parent/Carer

We have attached a copy of our new Winter Menu which starts after half-term.

As the weather gets colder we are pleased to be able to offer the children a hot meal every day.

Our menu has been planned to ensure that we provide a balanced nutritious meal daily for our children.

All our school meals are freshly cooked in our own kitchen using locally sourced ingredients.

We follow the Schools Food Standards which govern what can be served to children in terms of food groups (protein, dairy, carbohydrates, fruit and vegetables) and portion size.

Bread and fresh fruit are available daily.

A jacket potato option is available daily with cheese, beans or tuna.

A vegetarian option is available daily.

Each class has a Midday Assistant to support them at lunchtime and meals are served to the children at the table.

Themed meals are planned each half-term with competitions and prizes for the children to make lunchtimes a fun experience.

ALL INFANT SCHOOL CHILDREN ARE ENTITLED TO A FREE SCHOOL MEAL EVERY DAY. THIS IS A SAVING OF £11.00 PER WEEK £418 PER YEAR.

Please have a look at the new menu with your child
