Well Done!

Reception News

Animals - Boydell's Farm

Literacy Recount of the trip to Boydell's Farm. Encourage time words - first, next, then, finally. Talk4Writing - Retell the middle section of Three Billy Goats Gruff.

Maths Exploration of money - discuss the types of coins, their size and colour. Children to sort the coins. Do they know the values?

Art/DT Salt dough sheep. Collage of a farm using a variety of materials.

ICT Using Microsoft Word to write words associated with the farm.

Year 1 News

Literacy

For our "Hot Write" this week we will be planning and then writing a page for a non-fiction book about taking care of plants. We will be encouraging the children to use headings, captions and diagrams.

Maths

We will be looking at doubling numbers to 20 and sharing objects equally.

DT We will be talking about the importance of a healthy and varied diet and we will be drawing and planning a salad dish.

History We will continue to look at kings and queens and the role of parliament.

Science Looking at the structure and function of plants.

Year 2 News

Maths SATs

Literacy: SATs

Science: Planning an investigation to find out what plants need to grow.

History - Learning about Henri Rosseau. Creating a background to their Rainforest picture using chalks and then outlining in black.

Geography: Look at the canopy layer of the rainforest.
