Holt Farm Infant School

Dear Parents/Carers,

Autumn Census Thursday 16th January 2020

Next Thursday is the Spring School Census. The money our school receives from the government to pay for schools meals is based on an average of the number of meals taken on the census days in October and January.

It would greatly help us if your child was to have a school meal on this day as the additional funding we receive for every school meal taken gives us more money in our budget to spend on our children's education.

To encourage children to join us for school lunch we will be serving a special party lunch.

Please encourage your child to try a school lunch on Census Day.

Thank you for your support.
