Holt Farm Infant School

Dear Parents/Carers,

Autumn Census Thursday 1st October 2020

Thursday 1st October is the Autumn School Census. The money our school receives from the government to pay for schools meals is based on an average of the number of meals taken on the census days in October and January.

It would greatly help us if your child was to have a school meal on this day as the additional funding we receive for every school meal taken gives us more money in our budget to spend on our children's education.

To encourage children to join us for school lunch we will be serving a special party lunch.

Please encourage your child to try a school lunch on Census Day. If they are reluctant you are welcome to send in a packed lunch as back-up and they can try some of our party food too.

Thank you for your support.
